Dear Mister president, Dear Mister Panagiotis Theodoropoulos, Dear JJIF Vice presidents,
Dear JJIF board members, Dear presidents of the continental Unions, dear members of the
JJIRC and dear members of the member federations,

By email:

Dear sport friends,

According the JJIF session, I was appointed as one of the Auditors for reporting of the book
keeping for 2019 and 2020. This letter is about the year 2020, the year where the pandemic
hits us very hard.

Report of the accounting committee, financial year 2020

I have executed the audit in accordance with the set of laws of the Ju Jitsu International
Federation (JJIF) and have randomly investigated the accounting of the book year 2020.

I can declare that there were no irregularities found.

Because of the absence of the other auditor, I have to take the responsibility of the audit
myself.

I can also declare that JJIF have a total loss of \$ 94.218,13 in 2020 and a total positive balance
of \$ 190.562,88 on the various accounts.

Together with the financial director of JJIF, mister Mortelmans, the book control shows that
JJIF responsible, mister Panagiotis Theodoropoulos, did again a proper job.

Rick Frowyn

Board member of the Dutch Judo Association
